Photoshop Elements for Quilters *(PC or Mac)*

Saturday, May 22 , 10 am – 4 pm

Class Fee: \$49

Description

Learn how to use the edit workspace of Photoshop Elements to manipulate photographs to use as the basis of a quilt design. Topics include, but are not limited to:

- Scanning Photos, copyright issues
- Tools of Photoshop Elements
- Composition of the Photo (cropping)
- Filters & Effects
- Two ways to use the Photo for a Quilt: printing on fabric or as a design to be pieced/appliquéd

Photos will be provided for class exercises

Supplies Required

- Laptop & Mouse
- Photoshop Elements 7.0 or 8.0 *(a 30 day trial version is available on the www.Adobe.com web site, the PC version is also available at Costco)*

Optional:

- Your own copyright free photos to use if class time permits.
- *Altered Photo Artistry* by Beth Wheeler. This book has good tips & examples of using photos on fabric, but no details in using Photoshop Elements.

Prior to class, have Photoshop Elements loaded on your computer. If you need assistance or have questions, please contact Jennifer before the first class.
